

# **It Doesn't Feel Like Christmas This Year**

By Pete and Josanna Justine 2021

CCLI Song# 7189053

G#m F#  
Feels like I'm staring into an empty sky tonight  
E G#m F#  
Holding hands with loneliness and grief

G#m F#  
I've said goodbye to my dearest friend this year  
E G#m F#  
Along with all our future plans and dreams  
E G#m F#  
And now there's just an empty chair beside me

B F# E  
Spirit meet me, here within my brokenness  
G#m F#  
It doesn't feel like Christmas this year  
B F#  
Would You come and comfort me  
E  
Here within my silent night  
G#m F#  
Of hopelessness and tears  
E G#m F#  
It doesn't feel like Christmas this year.
